**DECLARATION OF DEBRA A. BULMER IN SUPPORT OF
APPLICANT'S PETITION TO WITHDRAW HOLDING OF
ABANDONMENT UNDER 37 C.F.R. 1.181**

I, Debra A. Bulmer, declare:

1. I am a paralegal at Kinney & Lange, P.A., am over the age of eighteen years, and am competent to testify to the following facts, based upon my personal knowledge, information, and belief.
2. For eight years, it has been my responsibility to create and maintain the master docket for Kinney & Lange, P.A. Previous to that, I worked at Faegre & Benson for six years as a paralegal in charge of docketing.
3. It is the responsibility of the office services personnel to handle all incoming mail and to direct all documents which require docketing to me prior to distribution to the attorneys.
4. With regard to an Office Action, the Kinney & Lange, P.A. mail log

typically includes the serial number of the application, the filing date of the application, the PTO date, and a notation that the correspondence received was an Office Action.

5. I have reviewed the Kinney & Lange, P.A. mail log for the applicable time period and found no entry indicating that Kinney & Lange, P.A. received the Office Action of September 19, 2007 for the present application.

6. Attached as Exhibit A is a true and correct copy of the Kinney & Lange, P.A. mail log dating from September 19, 2007 to October 19, 2007.

7. After entering correspondence received into the mail log, the office services personnel then directs all documents which require docketing to me prior to distribution to the attorneys.

8. The Kinney & Lange, P.A. docketing system is a computerized program, PC Master, provided by Master Data Center in Michigan.

9. I prepare bi-monthly docket reports on the computer network for each Kinney & Lange, P.A. attorney. Each monthly docket includes the calendared response dates and other pertinent response dates for each attorney for the next six weeks. The docket also includes dates for responses that have not been filed or the appropriate action has not been taken.

10. With regard to an Office Action, the Kinney & Lange, P.A. master patent docket typically includes the application number, the application title, the client name, the attorney docket number, the mailing date of the Office Action, and the due date for the response.

11. I have performed a search of the Kinney & Lange, P.A. master patent docket for docketed actions on the specific date that the response was due, which resulted in no matches. Therefore, I found no entry that indicates that the action date for the Office Action of September 19, 2007 for the present application was docketed.

12. Attached as Exhibit B is a true and correct copy of the search results for Kinney & Lange, P.A.'s master patent docket, which shows that there were no docketed cases having actions due on December 19, 2007.

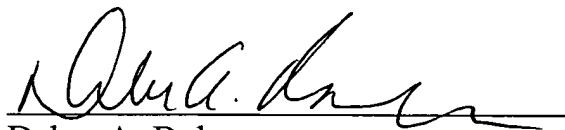

13. I have performed a search of the Kinney & Lange, P.A. master patent docket for docketed actions for the specific Kinney & Lange, P.A. file number, U74.12-0068, for dates ranging from September 19, 2007 to March 19, 2008, which resulted in no matches. Therefore, I found no entry that indicates that the action date for the Office Action of September 19, 2007 for the present application was docketed.

14. I have searched Kinney & Lange, P.A.'s records, including the file jacket of Kinney & Lange, P.A. file U74.12-0068 and the application's contents.

15. I have concluded that the Office Action of September 19, 2007 for the present application was not received by Kinney & Lange, P.A.

I hereby certify under penalty of perjury under the laws of the States of Pennsylvania and Minnesota and the laws of the United States that the foregoing is true and correct to the best of my information and knowledge.

DATED this 30th day of July, 2008, at Minneapolis, Minnesota.
